

Business Office

Mission Statement

The CASC Business Office ensures fiscal accountability by following state and federal guidelines as well as generally accepted accounting principles in managing college funds, student accounts, payroll, and accounts payable. Attention to the fiscal health of the College contributes to the overall mission of providing affordable and accessible education and ensuring student success.

Goals:

1. Provide sound stewardship of all college funds;
 2. Apply sound accounting practices in recording and reporting all transactions;
 3. Provide the support necessary for strengthening of academic programs and institutional effectiveness; and
 4. Provide accurate and timely financial information for institutional management
