

CASC Student Affairs  
2011-2013

Student Affairs Mission Statement – The Office of Student Affairs is dedicated to offering quality programs and services that facilitate student recruitment, admissions, enrollment, advisement, financial assistance, and involvement to provide a positive college experience and to insure students are prepared to succeed both educationally and personally.

Goals:

- 1) Provide exceptional student-centered services and activities;
- 2) Create and maintain a safe and secure campus environment for all students;
- 3) Offer a rich variety of intellectual, cultural, social and recreational activities for students;
- 4) Encourage healthy behaviors and attitudes among students;
- 5) Increase appreciation for human values, diversity, and life-long learning;
- 6) Promote responsible citizenship in the community and the global society;
- 7) Serve as an advocate for student needs and concerns;
- 8) Encourage professional development of staff to improve student experiences;
- 9) Promote linkages with faculty and academic units to provide unified educational experiences for our students.
