### Awarded Military Friendly School Title from G.I. Jobs

Carl Albert State College has been awarded the designation of Military Friendly School by G.I. Jobs, the premier magazine for military personnel transitioning into civilian life. The 2012 Military Friendly Schools list honors the top 20 percent of colleges, universities and trade schools that are doing the most to embrace America's military service members and veterans as students.

Dr. Brandon R. Webb, CASC President, stated appreciation to the staff and faculty of CASC for helping make the college a place for members of the military to feel welcomed. "I am pleased to know we continue to do all we can to help members of the military as they transition to college life."

Dawn Webster, CASC Veteran's Certifying Official, said it is an honor to know the efforts of CASC are making a difference in the lives of service men and women. Webster continued, "The CASC Veteran Affairs Office is located in the Office of Admissions in Hemphill Hall on the Poteau campus. Dee Ann Dickerson and I both serve as certifying officials and are here to assist veterans and their families. We offer enrollment assistance and certify credit hours of veterans, dependents, reservist/guardsmen, and disable veteran students who qualify for veteran's educational benefits. Carl Albert State College is certified by the Oklahoma State Accrediting Agency to the Veterans Administration as an approved training institution." Webster noted that in addition to being listed among the 2012 Military Friend Schools, Carl Albert State College has also received recognition in the past as a top school from G.I. Jobs.
