**Subject:** Cum GPA for Carl Albert students enrolled at the University of Arkansas

Anita, Shalom, Dr. Yates, and Ms. Roberts:

I would like to share with you that Carl Albert transfer international students are doing EXCEPTIONALLY well academically at the University of Arkansas. They are enrolled in engineering, business, design, hospitality and biology and are earning a weighted cumulative GPA of 3.57.

We are so happy to have your students at the University of Arkansas. If there are ways that we can encourage your current international students to consider the UA as they look for institutions to continue their education, please let us know.

Michael Freeman
