

#### 4.B.1 Business Capstone Survey

1. What experience best prepared you for your next level of higher education and/or the workplace?
2. Are there any classes that should be offered in different sequence? For example, Macroeconomics before Microeconomics? Please list.
3. Do you believe that you are prepared to continue your education at the next level and/or enter the workforce ?
4. What do you know now that you wish you had known your freshman year?
5. Would more afternoon classes have been better for your schedule? What about the Business Division did you like/appreciate most during your time at CASC?
6. Is there a class that you wish we had offered that we didn't? Please list.
7. Did class size affect your learning? How?
8. Were there enough sections offered for each class to accommodate your schedule? Please offer any suggestions for improvement.
9. Did faculty members' office hours accommodate your schedule?
10. If applicable, did you do well with a flexible class setting like Microcomputer Applications?

11. Please type your name and a permanent address. Please do not list your current/future college address; but list a "permanent" address like that of your parents, guardian, etc. Please type all of the following: Name Address City State Zip.

12. Please type your college major

13. If you plan to continue your education after you leave CASC, please type the name of the college you plan to attend:

14. If attending college beyond CASC, did you apply and receive any scholarships, tuition waivers, etc. from the college you will be attending?

15. If you are receiving scholarships, waivers, etc., did you ask a faculty member to help you by writing a recommendation letter for you? If so, was that faculty member helpful?

16. If you did receive help from a faculty member, were you successful in being awarded a scholarship? Please list scholarships, waivers, etc.

17. Please type any suggestions you might have for the Business Division to improve.

18. Please type an email address where you can be contacted:

19. Do you plan to enter the workforce rather than continuing your education? If yes, please type the name of your employer (if known):

20. What about the Business Division did you like/appreciate most during your time at CASC?
