

RESIDENTIAL HOUSING

Program Summary

Carl Albert State College provides the opportunity to experience the unique academic and social environment of on-campus living. Each room includes a 12'x12' spacious bedroom and study area; an 8'x8' bathroom with 2 vanity sinks; a 4'x8' walk-in closet; and free internet service. Cable television and telephone services are available to students who want to contract for them. Each dorm is within easy walking distance to all classes, the campus dining area, the bookstore, the library, the laundromat, the cardiovascular center, the computer lab, and the student lounge, as well as the city park with adjacent tennis courts. This comfortable, friendly environment is convenient, safe, and conducive to learning. A limited number of scholarships are available for housing. Students may apply through the housing application. In addition, Residential Program Staff Members are professional staff members who reside on-campus and are responsible for the daily operation of the Residential Program.
